

Principal Lecturer - School/Service - Grade J

Job Description

Purpose

To support the Academic Manager(s) by providing academic leadership, enhancing the achievement of excellent quality and performance standards, contributing to the development and implementation of policies and practices to ensure effective deployment of resources.

As a member of the Leadership Team, contribute to the development of its vision and strategy, enhancing its profile and reputation.

To undertake a thematic or strategic role, delivering against objectives and developing the University's profile.

Duties

1. Contribute to teaching and assessment, provide academic support to research students as required and undertake scholarly activity, appropriate to developing the profile of the area, and remaining abreast of developments and methods of delivery in your subject area.
2. Engage with the advancement of learning provision within established regulatory and quality frameworks, including compliance and annual monitoring.
3. Engage with the design, implementation and review of academic programmes, management of assessment boards and review of student cases, maintaining academic quality assurance and enhancement.
4. Work with academic teams to develop policies and practices with particular reference to student experience, success and achievement.
5. Undertake activities in relation to delivery of objectives in a strategic or thematic area, for example, Equality Diversity and Inclusion, degree apprenticeships, academic partnerships, quality standards, academic success and integrity.
6. Engage with innovation and income generation activities as required and support academic teams with the development of business and research profiles as appropriate.
7. Contribute to the appraisal process, undertaking including regular one to ones and facilitating development as appropriate.
8. Participate in the recruitment, selection and induction of new colleagues.
9. Ensure good communications with students, obtaining feedback and providing assurance for actions.
10. Ensure teamwork and collaboration across Schools and Professional Services.
11. Support the work of senior managers, contributing to School and University-wide initiatives.
12. Undertake any other activities commensurate with the role as determined by the line manager.
