

## **Clinical Teacher - School of Medicine and Dentistry - Grade: Clinical Lecturer**

---

### Job Description

#### **Purpose**

The postholder will act as a small group facilitator for the Year 3, 4 and 5 MBBS students on their campus teaching programme at the University's Burnley Campus. Facilitation work will include a wide range of teaching and learning activities, such as communication skills, clinical skills, case-based learning, clinical reasoning, interprofessional education, narrative-based medicine sessions, and professionalism. The postholder will take part in marking of written work, as well as creation and updating of curriculum materials.

To act as Academic Advisor for groups of students, including review of the students' portfolios.

Involvement in additional activities such as OSCE writing and examining, workplace-based or coursework assessments, and the selection process for applicants to the school.

#### **Duties**

1. To facilitate small and larger group teaching sessions including case based learning, clinical reasoning, interprofessional education, social sciences, clinical and communication skills, and professionalism as part of the Year 3, 4 or 5 teaching programmes.
2. To plan, prepare and deliver small group teaching relating to the above.
3. To take responsibility for academic administration in relation to specified teaching activity.
4. To act as an academic advisor to students, including review, feedback, and assessment of the student e-portfolio.
5. To participate in assessment activities including MCQ examinations, OSCEs, invigilation of written exams, marking of written coursework and e-portfolio.
6. As part of the wider team, to support teaching and learning strategies and to engage in development activity within the undergraduate MBBS curriculum.
7. To work productively as part of a team by participating actively in group and school meetings.
8. To participate in the student admission process: open days, recruitment, and selection events.
9. To engage in review and evaluation of teaching in response to feedback.
10. To undertake any training required for / relevant to the role.
11. To undertake any other duties commensurate with the role, as directed by the Director of Clinical Studies or the Dean of School.

## Person Specification

### **Knowledge, Skills, and Behaviours (Essential)**

- Experience of recently having worked as a medical practitioner within a clinical setting in a relevant speciality (Application/Interview).
- Evidence of medical student facilitation within small groups and experience of teaching undergraduate medical students (Application/Interview).
- Completed the two-year NHS Foundation Programme or equivalent and licensed to practice with the General Medical Council (Application).
- Self-motivated and proactive in approach to challenges and opportunities and able to work on own initiative or as part of a team (Application/Interview).
- Excellent communication skills in both verbal and written form and ability to generate clear and concise documentation (Application/Interview).
- IT literate - able to use standard Microsoft office packages (Application/Interview).
- Ability to travel independently between sites (Application/Interview).
- An understanding of and demonstrable commitment to the University's Values of Achieving Together, Being Proud, Creating Opportunity and Supporting All, as a framework for decisions, actions, and behaviours (Application/Interview).

### **Knowledge, Skills, and Behaviours (Desirable)**

- Experience of working within the NHS (Application/Interview).
- Experience of portfolio delivery and assessment in healthcare, including the use of electronic portfolio for teaching purposes (Application/Interview).
- Evidence of supervising, providing mentoring or support to students or trainees (Application/Interview).
- Knowledge of contemporary assessment practices for HE (Application/Interview).
- Completion of NHS training to post-CT2 level (Application).
- Teaching qualification such as certificate in HE, or Fellow of the Higher Education Academy (Application).
- Membership of the Royal College of Physicians or equivalent (Application).
