

Baseball and Softball Sports Coach – Estates and Campus Services – Grade F

Job Description

Purpose

To implement the vision for performance sport at the University of Lancashire and provide high quality coaching to raise the standards of university sport.

Duties

1. Working with the Performance Sport Manager, The Students' Union and key staff to drive the development of a sport culture at the University.
2. Working with the Performance Sport Manager to develop performance plans for their sport; collaboratively setting and achieving goals.
3. Work with the University sports teams to develop a performance squad and the players within that.
4. To be a role model; setting high standards of behavior for themselves and for those representing the University
5. Leading training sessions, selecting teams and coaching on match days at BUCS fixtures.
6. Supervise and mentor assistant coaches where applicable.
7. Be involved in developing a performance culture and attend coaches' meetings periodically
8. Liaising with other University of Lancashire sports coaches to share best practice and attending meetings periodically.
9. Providing a safe and secure environment for students; undertaking the operational reporting requirements of the university (Risk assessment, accident incident /near misses, performance reports, etc.)
10. With regards to the nature of your role and its impact upon our students, make an active contribution to and support the improvement of the student experience.
11. Undertake other relevant duties and responsibilities appropriate to the grade of the post.

Person Specification
