

Job Description

Job Title	Senior Lecturer in Pharmacy Practice
School/Service	School of Pharmacy and Biomedical Sciences
Grade	I
Responsible to	Dean of School for Pharmacy and Biomedical Sciences

Job Purpose:

To contribute to, and lead in, the areas of course delivery, course management and course development in the area of pharmacy practice at UCLan. To undertake research and knowledge transfer through scholarly activities. To undertake specific course leader responsibilities in related programmes, as appropriate.

Main Duties and Responsibilities

1. Lecturing at all levels of the academic programmes in the School including Masters programmes.
2. To engage in course developments in the area of pharmacy.
3. Make a major contribution to achieving the academic objectives of the School through scholarly activity, research outputs and knowledge transfer activities.
4. As a Senior Lecturer, undertake significant administrative, course development and course leadership responsibilities. Act as a module tutor for a number of identified modules. Administer course registers, assessment records, learning programme and other records.
5. Engage with the recruitment of students onto courses and provide appropriate advice on progression and career opportunities.
6. Develop and consolidate contacts with relevant external organisations
7. Adhere to quality assurance and enhancement systems to ensure high standards are maintained and student experience is enhanced.
8. Attend local and national events on behalf of the University, in order to promote the University and its courses, and to enhance the profile of the division, school and University as a whole.
9. With regards to the nature of your role and its impact upon our students, make an active contribution to and support the improvement of the student experience
10. To undertake any duties relevant to the School's activities and commensurate with the level of the post, as directed by the Head/Deputy Head of School.
