

Job Description

Job Title	Senior Lecturer - Veterinary structure and function
School/Service	School of Veterinary Medicine
Grade	Veterinary Senior Lecturer
Responsible to	Head of School

Job Purpose:

To contribute to, and lead in, the areas of course delivery, course management and course development in the area of Veterinary anatomy, physiology, and associated preclinical and bioveterinary sciences. To deliver creative and clinically relevant teaching related to the structure and function of the animal body in veterinary sciences at UCLan. To undertake research and knowledge transfer through scholarly activities. To undertake specific course leader responsibilities in related programmes, as appropriate.

Main Duties and Responsibilities

1. Lecturing at all levels of the academic programmes in the School including Masters programmes.
2. To lead in course development in the area of Veterinary anatomy and physiology, bioveterinary sciences and associated topics.
3. To support and develop the technical team in cadaveric preservation techniques and specimen preparation
4. To engage in innovative, clinically focused, and ethical educational activities including animal contact and working with partners to ensure a high standard of educational delivery
5. Make a major contribution to achieving the academic objectives of the Subject Group of veterinary education and the School of Veterinary Medicine through scholarly activity, research outputs and knowledge transfer activities.
6. As a Senior Lecturer, undertake significant administrative, course development and course leadership responsibilities. Act as a module tutor for a number of identified modules. Administer course registers, assessment records, learning programme and other records.
7. Engage with the recruitment of students onto courses and provide appropriate advice on progression and career opportunities.
8. Develop and consolidate contacts with relevant external organisations
9. Adhere to quality assurance and enhancement systems to ensure high standards are maintained and student experience is enhanced.
10. Attend local and national events on behalf of the University, in order to promote the University and its courses, and to enhance the profile of the division, school and University as a whole.
11. With regards to the nature of your role and its impact upon our students, make an active contribution to and support the improvement of the student experience
12. To undertake any duties relevant to the School's activities and commensurate with the level of the post, as directed by the Head/Deputy Head of School.
