

Clinical Teacher - Pre-Clinical Teaching - School of Medicine and Dentistry - Grade - Clinical Academic Payscale - Lecturer Grade

Job Description

Purpose

Working within a collaborative team environment incorporating the School at Preston, the post holder will provide pre-clinical teaching, supervision and training for the BDS, CDT and DT courses.

Duties

1. To work closely with the pre-clinical Senior Clinical Teacher to ensure delivery of the pre-clinical curriculum.
2. To work closely with clinical colleagues and staff in the UCLan Dental Clinic to screen patients, in order to ensure a steady supply of patients whose dental conditions are suitable for treatment by students and to facilitate parity of the students clinical experience.
3. To provide clinical skills, chairside teaching and supervision, collaborating closely with the Senior Lecturer in pre-clinical teaching and Course Leads with regard curriculum requirements.
4. To take responsibility for student learning and pre-clinical operative work, including assistance and intervention in procedures, as deemed necessary.
5. To provide clinical supervision of students on-site on the Preston Campus and occasionally as need arises in our Dental Education Centres and our other clinical sites.
6. To provide feedback to students on all aspects of clinical skills.
7. To assist with maintaining records of student progression and course evaluation.
8. To provide lectures, seminars and tutorials for the early years of the course and to take part in the assessment of students.
9. To work with the Clinical Senior Lecturer in pre-clinical education to implement changes to the curriculum.
10. To facilitate and contribute to problem-based learning and to act as PBL tutor when required.
11. To act as personal tutor.
12. To participate in peer review.
13. Other duties which may be assigned by the Deputy Head, Students and Teaching from time to time relevant to the responsibilities within the role.
